Activon Manuka Honey®

At our state-of-the-art manufacturing facility in the UK, the Advancis range of medical grade Manuka Honey products, offer the unique combination of a high quality performance product at a competitive price.

- **Effective debridement capabilities for faster wound bed preparation**
- **Maintains a moist wound healing environment, facilitating faster healing of chronic wounds**
- **Extensive range of Advancis Manuka honey dressings, allowing the right dressing selection for each wound type**
- **Honey is non-cytotoxic and is a completely natural substance**

Advancis Medical® bring the benefits of 100% Manuka honey into a versatile suite of wound management tools that enable you to choose the right dressing for every phase of wound healing.

Activon Tulle®

Knitted viscose mesh impregnated with 100% Manuka honey

A knitted viscose mesh primary dressing impregnated with 100% Medical Grade Manuka honey. Activon Tulle® creates a moist healing environment and effectively eliminates wound odor.

Activon Tulle® is ideally suited to debriding and de-sloughing shallow wounds or where the exudate levels have started to decrease.

- **Activon Tulle® is a 2 in 1 sterile dressing; Manuka honey with a primary dressing**
- **Allows exudate to pass through the dressing on wounds with low to moderate levels of exudate**
- **Can be cut to size, increasing patient comfort and resulting in better peri-wound skin condition**
- **Can be placed on the wound either side up, eliminating incorrect dressing application**
- **Available in a 1in x 11.8in "ribbon" for shaping within cavities and contours**

Activon Tube®

100% Medical Grade Manuka honey

Containing 100% Medical Grade Manuka honey with no additives. This wound filler will de-bridge and de-slough, eliminate odors and provides a moist wound healing environment.

Activon Tube® is ideal for debriding necrotic tissue. Activon Tube® can be used as a wound filler for use in cavities, just irrigate with saline solution.

- **Contains 100% pure Manuka honey with no additives**
- **Maintains a moist wound healing environment, facilitating faster healing of chronic wounds**
- **Does not absorb into the blood stream, meaning it can be safely used on diabetic patients**
- **For best results, use in conjunction with a secondary dressing, in particular the Eclipse® super absorbent**

Activon® is a natural alternative to the more common wound therapies such as silver, with none of the perceived challenges that silver products face today, such as their cost-effectiveness, lack of efficacy and concerns around their safety and resistance¹.

| Name | Size | Dressings per Box | HCPCS code |
|-----------------------|---------------|-------------------|------------|
| Activon Tube® | 0.9oz | 12 | A6250 |
| Activon Tulle® | 2in x 2in | 5 | A6222 |
| Activon Tulle® | 3.9in x 3.9in | 5 | A6222 |
| Activon Tulle Ribbon® | 1in x 11.8in | 5 | A6402 |
